The purpose of "Now Is the Time ~ Missions to Guatemala" is to share the love and hope of Jesus by serving children and their families living in extreme poverty in small communities in Guatemala. We partner with effective, trustworthy, licensed non-government organizations in Guatemala (orphanages, schools, community groups). 100-150 team members of ages 7-77, from different faith backgrounds and regions of the US, come together in the name of Christ for 1-4 weeks in the summer, by serving on one of five teams: Construction, Floors, Humanitarian Aid, Stoves, and VBS. All volunteers, including leaders, raise their own financial support.
